ABOUT ME

As a five-year computer engineering student, I am passionate about my field and made the decision to specialize in front-end development since my first year in university. I have acquired numerous skills in front-end development, learned essential frameworks, and mastered several programming languages through my academic coursework. I am currently seeking a part-time position after my university classes. I am looking for a role that is challenging and allows me to apply my passionate knowledge and experience

EDUCATION

- **2021 – Present : Bachelor of Computer Systems Engineering Arab American University – Jenin, Palestine .**
-
- **2020 – 2021 : High School Certificate (Tawjihi) Jenin Industrial Secondary School || GPA: 80%**

WORK EXPERIENCE

Activities Chair

IEEE Student Branch – Arab American University
